

Meal Deal - Five Articles a Day Keep the Teacher Away

Balanced nutrition intake is key. Meal Deals is a downloadable PDF service containing up to 5* perspectives hand-picked by Bisconians from world media on related news items and global issues. There is no need to look further if you want to grab a quick understanding of what's about.

* 5 or 6, sometimes 7 if the topic is really hot and the media coverage turns out to be sumptuously interesting.

Bisconia only collects information freely available on the Internet without any editing effort for the readers' information therefore does not infringe any copy right regulations. All copy rights are held by the authors, the news agencies or the original releasing entities. All links on this page are correct when published. All links on content pages are kept alive for the readers' convenience.

To view all the Meal Deals that we served to get a timeline of the key events in history, click [here](#).
